Marketing Manager

As Marketing Manager I want have access to the system so that I can oversee the process.

As Marketing Manager I want to register my credentials so that I can login into the system.

As Marketing Manager I want to have a special access to the system so that I can keep track of the submissions and comments into the deadline date.

As Marketing Manager, once I am logged in the system, I want to be able to select the contributions in which I am interested, so that I can view them.

As Marketing Manager I want to be able to download all the contributions, once selected, so that I can have them in a ZIP file on my machine.

Make sure that the download will be available only after the final closure.

Marketing Coordinator

As Marketing Coordinator I want to have access to the system so that I can manage the process for my faculty.

As Marketing Coordinator I want to register my credentials so that I can login into the system.

As Marketing Coordinator I want to have a special access to the system so that I can keep track of the contributions made by the students of my faculty.

As Marketing Coordinator I want to receive an email notification for any new submissions so that I can make a comment in 14 days.

Make sure that the email is sent directly into my mail box even if I am not logged into the system.

As Marketing Coordinator I want to have access to the contribution made by the students of my faculty, so that I can interact with them in case I need to edit or publish a submission.

Administrator

As Administrator I want to register my credentials so that I can login into the system.

As Administrator I want to have access to the system so that I can maintain the system data.

As Administrator I want to have track on any issues during the use of the system so that I can allow a smooth navigation.

As Administrator I want to have a specific access to the system so that I can make sure of the closure dates for each academic year.

Student

As Student I want to register my credentials so that I can login into the system.

As Student I want to have access to the system so that I can submit one or more articles and high quality images.

Before any submission I must agree with the terms and conditions.

As Student I want to have access to the system so that I can update my submission within the closure date.

Guest

As Guest I want to register my credentials so that I can login into the system.

As Guest I want to be able to access to the system so that I can read all the selected articles and report for each faculty.

As Guest I want to view the reports so that I can see the contributions with no comments before and after the 14 days.

Make sure the report is showing the number of contributions/contributors and the percentage of contributions within each faculty. This has to be shown for each academic year.
